## Future visits: updates

### VISIT FROM MEYLAN TO DIDCOT

The dates for this visit have been agreed as **20-23 September**. If you are able to host one of our French visitors please get in touch as soon as possible. A programme of events will be circulated soon.

### FUND RAISING ACTIVITIES

A car boot sale at Harwell Feast raised over £70 for the Association's funds. Our next event is a Coffee morning on August 11th. For details see elsewhere in this newsletter.

### CHANGES IN THE COMMITTEE

The AGM in June saw several changes in the Twinning committee. We were joined by Marilynne Marchal and Phil Hayward. Marilynne will coordinate contacts between schools in Didcot and in our partner towns.

Our treasurer, Robin Eastham, indicated that he would like to step down, since he no longer works in Didcot. We are fortunate that Keith Beswick has offered to take on this important role. The committee is very grateful to Robin for his excellent stewardship of the Association's funds.

Our long-serving Chair, Terry Joslin, reminded the meeting that he would also like to step down as chair of the Association, a role he has filled for some time, and the committee agreed to seek a replacement. Terry will continue to serve on the committee.

John Baille has agreed to take over from Adrian Evans to run the Twinning Association's web site

The committee would like to thank all its supporters without whom our links with Meylan and Planegg would not be possible.

*Wild flower meadow at the clos des Capucins, Meylan*

*Snow covered Belledonne, Meylan*

*Planegg maypole*

*Planegg owl.*
