Future twinning visits

VISIT TO MEYLAN

Thursday 8 - Sunday 11 September 2011

Join us for an interesting weekend in Meylan which will include the chance to attend the 'Forum des Associations' an event which showcases the activities of local organisations. If you know someone who belongs to a club or society that might be interested in getting to know their French opposite number, encourage them to join us on this visit. Contact a member of the committee for more details

VISIT FROM PLANEGG

Thursday 24 - Sunday 27th November 2011

A group of people from Planegg in Germany has been invited to visit us in Didcot at the end of November when they will have the chance to attend the Street Fair. We are already planning the programme for their visit but will be looking for families to host these visitors. Please get in touch with a member of the committee if you can offer some accommodation.

TOUR DE FRANCE

Would you like to watch the peloton climb l'Alpe d'Huez or a time trial in Grenoble? It may be possible to arrange for a small group of enthusiasts to travel to Meylan in July to watch one of these stages. Please contact a member of the committee as soon as possible if you are interested.

ANNE-MARIE IN CONCERT

Following her previous successful appearances, Anne-Marie has agreed to entertain us with songs from France. Some you will know, some you will have the chance to learn. Join us at this event
